2021

BAY SAINT LOUIS, MS

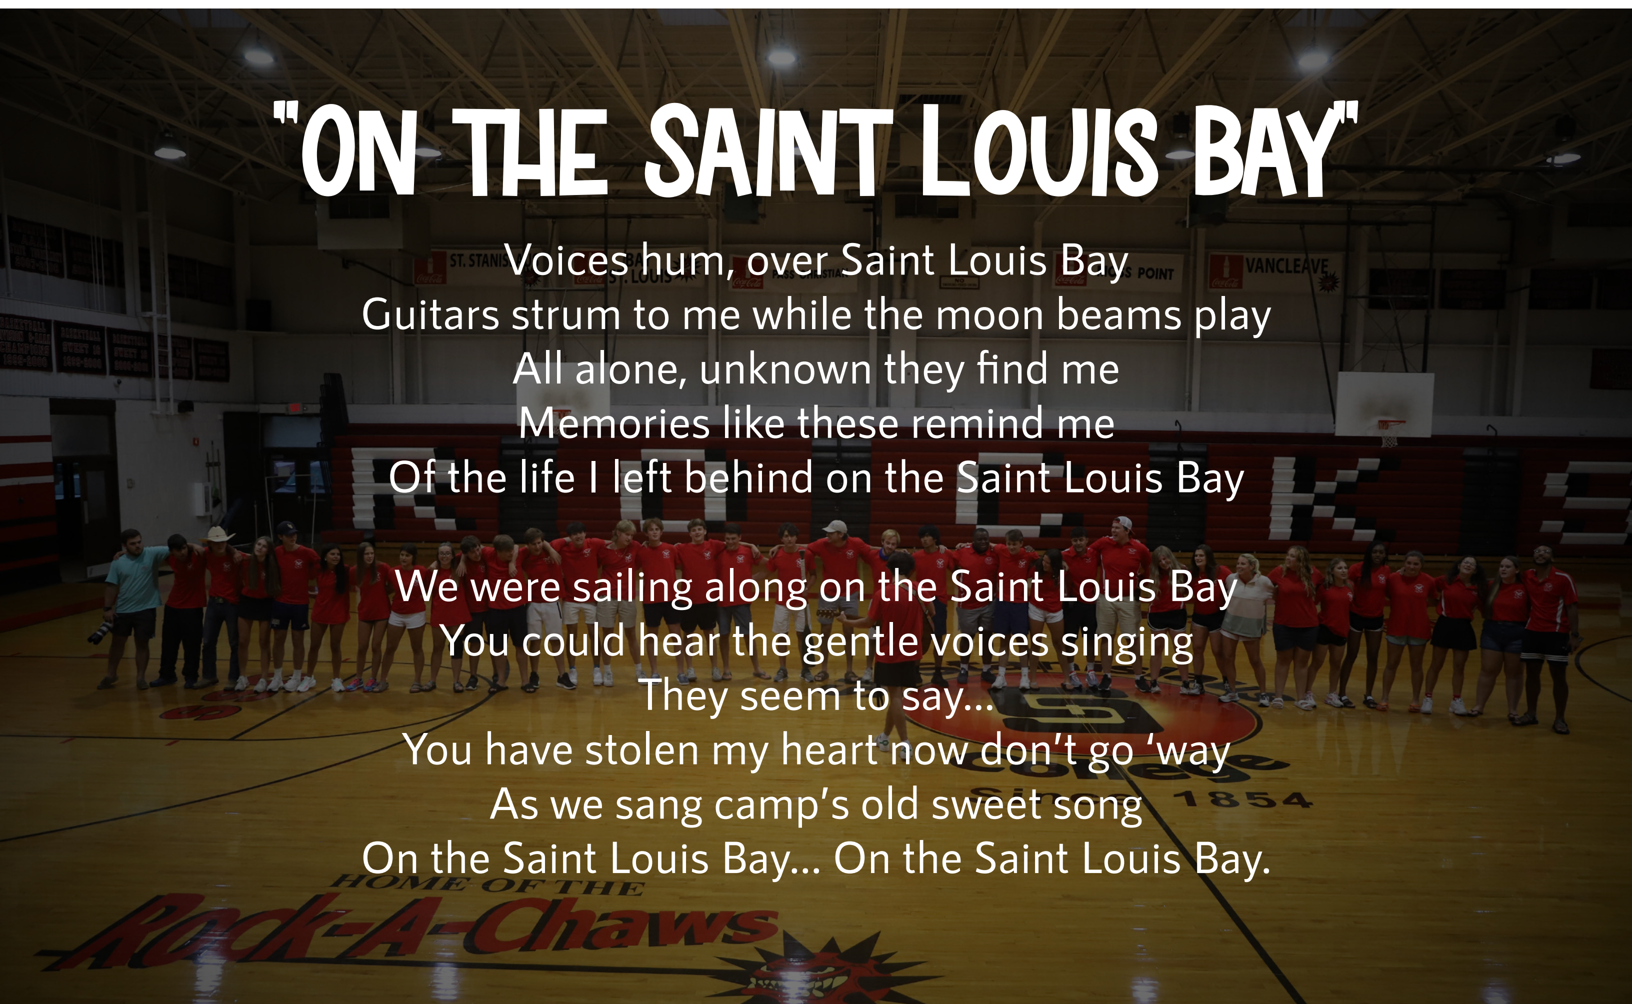

What is
CAMP STANISLAUS?

Camp Stanislaus is a day and resident summer camp for boys and girls ages 8-15. Founded in 1928, Camp Stanislaus operates in conjunction with the Brothers of the Sacred Heart, a religious order of teaching Brothers who have operated Saint Stanislaus College since 1854. The mission of the camp is to provide campers and counselors with a safe and enjoyable recreational and learning experience in the Catholic tradition under the charism of the Brothers of the Sacred Heart. Given its beautiful location on the Mississippi Gulf Coast, Camp Stanislaus is able to provide many water activities including swimming, sailing, skiiing, knee boarding, tubing, wakeboarding, canoeing, and fishing. Other camp activities include indoor and outdoor sports, arts and crafts, archery, rec hall, and much more!

While our main goal is to provide a good time, we also aim to allow our campers to create new friendships, learn independence, improve social skills, encourage one another, and work hard to achieve their goals. Camp Stanislaus has become a tradition passed down from generation to generation and continues to welcome new faces each year!

"ON THE SAINT LOUIS BAY"

Voices hum, over Saint Louis Bay
Guitars strum to me while the moon beams play
All alone, unknown they find me
Memories like these remind me
Of the life I left behind on the Saint Louis Bay

We were sailing along on the Saint Louis Bay
You could hear the gentle voices singing
They seem to say...
You have stolen my heart now don't go 'way
As we sang camp's old sweet song
On the Saint Louis Bay... On the Saint Louis Bay.

A Note From the
DIRECTOR

Wow, what a year it has been. I would like to start by extending my sincere thanks to all the campers, parents, staff, Brothers, and volunteers for making this summer so amazing. After not offering camp in 2020 due to COVID we sure made up this summer. I have been blessed with the opportunity to spend 13 summers here and this summer may have been the most challenging but was also extremely rewarding. Getting to see those smiling faces at camp makes all the hard work and long days' worth it.

This year was certainly different than years past. Traditional camp operated at about 80% capacity with over 525 campers participating. Due to Covid protocols all groups stayed together and saw the addition of 2 day only groups the Jellyfish and Swordfish. Along with Traditional camp our specialty camps which include Father & Son, Water Sports and Marine Biology camp saw over 125 campers. The new slingshot range was added and paired with archery. Ski camp saw the addition of a new boat thanks to the generosity of the Treutel family. As always, we are looking forward to updating existing and adding more activities next summer.

I have to thank the campers for their positive attitudes and for always giving 100 percent in activities. We shared many laughs and created many memorable moments this summer. I know many of you come to camp not knowing a soul but left with many friends. All in all, everything was a big success and I hope to build on that success next summer.

Lastly, I need to convey a special thanks to our wonderful staff. We could have the nicest facilities and equipment in the world, but the thing that makes Camp Stanislaus truly great are our hardworking counselors and volunteers. You are the reason why our campers want to come back year after year.

I wish you all a fantastic year and look forward to seeing each one of you next summer!

Many Blessings,
Sam Doescher

THE WAR OAR

In 1861, the United States was torn apart by the Civil War. As a southern state, Mississippi naturally sided with the Confederacy.

Several years prior in 1854, the Brothers of the Sacred Heart came to the United States from France with the intention of setting up a boarding school in Bay St. Louis, Mississippi. Within seven years of the school's founding, the French Brothers became embroiled in the Civil War.

Being of French origin and in the midst of an American war, the Brothers of the Sacred Heart "viewed [themselves] as neutrals and were not forced to take an allegiance." Therefore, the school's property was "supposed to be exempt from destruction or confiscation." When Ship Island was taken and the Bay became occupied by Union forces, the Brothers "raised a French flag over the [school], declaring their neutrality." The Brothers "whose house was traveling distance from New Orleans... had received French flags from the French consul in New Orleans at the outbreak of the war."

On June 21, 1863, the Union troops landed on the beaches of Bay St. Louis. As a result, the Brothers of the Sacred Heart met with Admiral Farragut in the hope of coming to an agreement. Farragut granted that he would destroy neither the school nor the town, since he had deep admiration for the Brothers and their mission. En route to New Orleans, the two-hundred man Union Fleet unloaded onto the beaches and walked down what today is known as Union Street.

To seal this treaty, Admiral Farragut gave the Brothers of Sacred Heart one of the oars used to make landfall on the beach. Today, the War Oar serves as a reminder to both the Brothers and the town that whether you are a Southerner, Northerner, or French, we are all one united people.

COUNSELOR AWARDS

Counselor's Choice Award - Lorenzo Neville

A Counselor's Choice Award recipient is a head counselor, counselor or counselor-in-training who is selected by his or her peers for serving as an inspiration for other counselors as well as being a positive role model for campers. Each recipient exemplifies such traits as maturity, responsibility, dependability, respect, and enthusiasm; and the campers' experiences are enhanced by his or her presence.

Director's Award - Morgan Grey

A Director's Award recipient is selected by the Directors for displaying qualities of a successful camp counselor in an exemplary manner. Each recipient goes above and beyond in his or her duties to make camp a special place for campers and to ease the burden on other counselors. In addition to taking responsibility for his or her actions, this counselor leads by example and helps hold other counselors accountable. A Director's Award recipient is also self-motivated and strives to make camp a better place in everything that he or she does.

10 YEARS OF SERVICE COLE MARSHALL

He has served as a CIT, Senior Counselor, Head Counselor, Ski Director, Garbageman, Pier Director, assistant to the Director and Assistant Director. Thank you, Cole, for 10 years of service to Camp Stanislaus. Your hard work and dedication are sincerely appreciated you have enriched so many camper and counselor lives.
